

Citron Simple Menstrual Product Dispenser

Citron Simple Menstrual Product Dispenser offers a unique gravity-fed unit that is perfect for smaller spaces.

With reliable servicing from Citron Hygiene, providing Aunt Flow organic, sustainable, free pads and tampons to your washroom users will show that your organization cares for the well-being of everyone who steps foot on your premises.

Why offer Citron Simple?

Committed to Menstrual Equity

Aunt Flow advocates for menstrual equity and takes action to combat period poverty.

Durable Construction

Citron Simple dispensers are made from metal and built to withstand traffic with its gravity-fed design.

Sustainable Products

100% cotton, organic period products produce 25% less waste than ordinary brands.

Reliable, Hassle-Free Service

Our expert technicians ensure that your washroom users are cared for, with on-time, reliable refill services.
