

Hand Dryers

Pebble+

Removes 99.9% of bacteria and viruses

The Pebble+ hand dryer incorporates an advanced hygiene protocol for local air sterilization and maintains a low run cost with a high-efficiency operation.

By providing hand dryers in your washrooms you benefit from:

Cost Savings

Save up to 96% on your hand drying costs with energy-efficient, automatic hand dryers. Save on purchasing costs with our hand dryer rental program.

Worry-Free Washroom Management

Provide a paperless solution and avoid overflowing bins and clogged toilets, as well as time spent cleaning it up.

A Sustainable Solution

Automatic hand dryers save energy, water, and trees used in manufacturing paper towels.
