

## Hygeia Petite

*Compact, Safe, Stylish*

An innovative, touchless, and compact menstrual hygiene disposal unit designed to reduce cross-infection risks from blood-borne pathogens and provide a hygienic, pleasant experience in small washrooms.

### By outsourcing your menstrual hygiene disposal you benefit from:

#### **Cost Savings**

Fewer plumbing issues from menstrual products being flushed down the toilet.

#### **A Healthy Environment**

Touch-free disposal keeps employees and visitors safe from blood borne pathogens.

#### **Reliable, Hassle-Free Service**

Our expert technicians do the dirty work so you don't have to.

## Product Overview

### Unique Opening

- Offers unobstructed opening with no modesty tray, allowing easy, and clean, disposal of products
- Minimizes sight into the unit
- Reduces risk of cross contamination and exposure to blood-borne pathogens

### Wall Mounted Design

- Improves utilization of space in small washrooms
- Reduces labor with ease of cleaning under and around unit
- Improves ergonomic access for users

## Let us do the dirty work so you don't have to

Citron Certified Hygiene Technicians maintain each system on a pre-determined schedule.

All sanitary waste is removed discretely from your premises.

All Citron Hygiene's disposal systems include DIN registered Actiwipe (Canada) or EcoCard (US), our exclusive non-liquid disposal agent designed to treat sanitary waste.
