

Surface Purification

SaniClean

Refresh and Disinfect

Citron Hygiene washroom hygiene service is the industry standard for commercial cleaning and sanitizing, with Citron Certified Hygiene Technicians using proprietary products and techniques to save you time and effort – because cleaner washrooms means better business.

Ensure repeat business with a clean, odour-free washroom

Deep Cleaning

Citron Certified Hygiene Technicians clean, sanitize and remove scale buildup on all toilets, urinals and sinks.

Consistent

Our regular cleaning service ensures that your fixtures are always sanitized with germicide that continuously kills germs between services.

Expertise

On-site consultation and inspection to review maintenance procedures and promote hygiene.
