

Hygeia Petite

Compact, Safe, Stylish

An innovative, touchless, and compact menstrual hygiene disposal unit designed to reduce cross-infection risks from blood-borne pathogens and provide a hygienic, pleasant experience in small washrooms.

By outsourcing your menstrual hygiene disposal you benefit from:

Cost Savings

Fewer plumbing issues from menstrual products being flushed down the toilet.

A Healthy Environment

Touch-free disposal keeps employees and visitors safe from blood-borne pathogens.

Reliable, Hassle-Free Service

Our expert technicians do the dirty work so you don't have to.

Let us do the dirty work so you don't have to

Citron Hygiene Certified Technicians maintain each system on a pre-determined schedule.

All sanitary waste is removed discreetly from your premises.

All Citron Hygiene's disposal systems include DIN registered Actiwipe (Canada) or EcoCard (US), our exclusive non-liquid disposal agent designed to treat sanitary waste.
