

# Infant Care

## *Special Care for Special People*

Families on the go appreciate enhanced convenience and cleanliness provided by diaper disposal systems and baby change tables.

## Why offer infant care and diaper disposal in your washroom?

### **Address Unpleasant Malodours**

Proper disposal systems for diapers are critical to addressing odours, avoiding offensive waste in regular trash cans, and potential plumbing issues from flushing.

### **Reduce Cross-Infection Risks**

Baby change tables combined with an exclusive disposal system for diaper waste helps reduce cross-infection risks, promotes hygiene and ensures waste is handled appropriately.

### **Reliable, Hassle-Free Service**

Our expert technicians do the dirty work so you don't have to.

## Product Overview

### Diaper Disposal

#### Touch-Free

- ✓ Our diaper unit has a foot pedal for no-touch operation, and a large opening for ease of use.

#### Efficient Design

- ✓ The contemporary design and large capacity means the unit can handle high traffic and volume of waste without overflowing.

### Baby Change Table

#### Ease of Use

- ✓ Change table is easily opened and closed by user with one hand.

#### Simple and Safe

- ✓ Safety strap is easily adjustable and Sure-Lock latch resists opening until released by opposing finger pressure.

#### Added Convenience

- ✓ Bed liner/towel dispenser provides consumable options for enhanced convenience and hygiene.
