

Aunt Flow Period Bags

Clean & Hygienic Disposal of Period Products

The ultimate solution for discreet and sanitary disposal of used menstrual products. These single-use disposal bags are designed for convenience and ease of use, ensuring a hygienic transfer of used hygiene products to disposal units. Effectively prevent toilet clogs by offering a reliable disposal method, and the odour-controlling design maintains a fresh environment.

By installing period disposal bags, you benefit from:

Cost Savings

Fewer plumbing issues from menstrual products being flushed down the toilet. Eliminate the need to wrap menstrual waste in toilet paper, reducing toilet paper use.

A Healthy Environment

Touch-free disposal keeps employees and visitors safe from blood-borne pathogens and helps prevent odours.

Reliable, Hassle-Free Service

Our expert technicians do the dirty work so you don't have to.

Product Overview

Attractive and Functional Design

- ✓ Aesthetically pleasing and contemporary design
- ✓ The perfect size bag to fit all period product waste including menstrual pads and tampons
- ✓ Designed with the environment in mind. Disposal bags are plant-based (made from cornstarch)
