

## AromaGuard

### *Scent Delivery*

The new AromaGuard scent delivery system utilizes dry vapour technology to address odours.

## Why outsource air care?

### **Smell Matters**

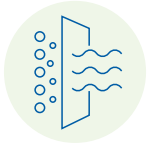

Research shows that washroom users will evaluate the cleanliness of your washroom with smell, before sight.

### **Make a Positive Impression**

Washrooms are small, but make a big impression. Ensure your visitors have a good user experience and positive association with your business.

### **Reliable, Hassle-Free Service**

Our expert technicians do the dirty work so you don't have to.

## Product Overview

### Continuous Odour Control

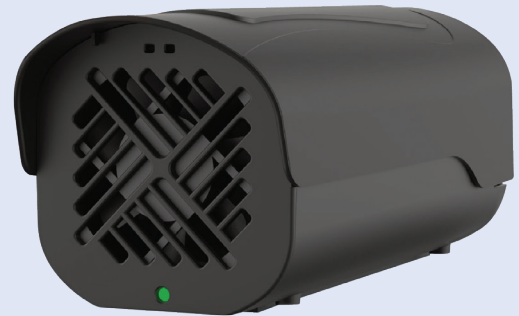

- ✓ Fragrance formulations developed specifically for scenting and odour control of large spaces
- ✓ Specially designed for areas with poor air flow such as waste holding areas and washrooms

### How Does It Work?

A dry vapour fragrance diffuser system that effectively freshens interior spaces of up to 50,000 cubic feet. The AromaGuard method is non-nubulizing (without wet vapour).
